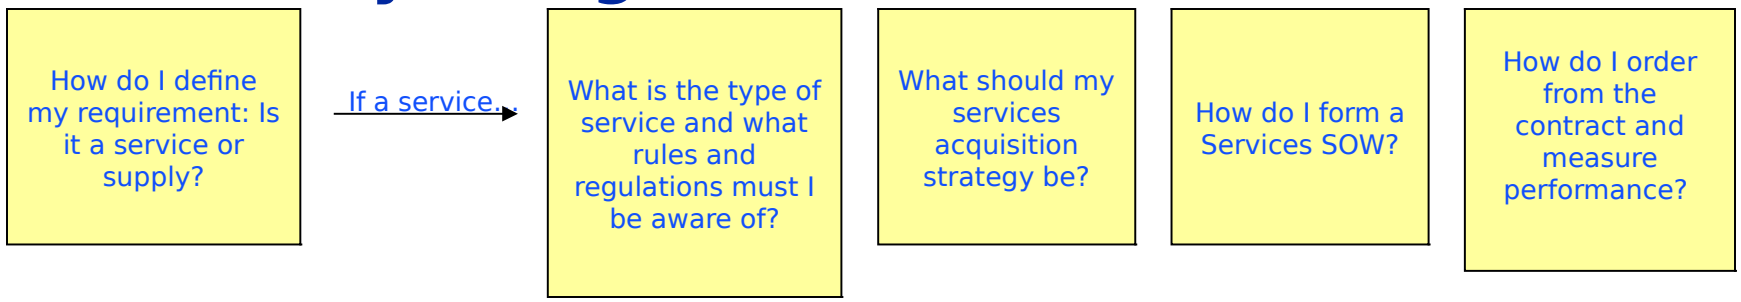
Services CBT

- **Provide interactive training:**
  - **Principles of PBSA**
  - **Policy and guidance**



How do I define my requirement: Is it a service or supply?
If a service...
What is the type of service and what rules and regulations must I be aware of?
What should my services acquisition strategy be?
How do I form a Services SOW?
How do I order from the contract and measure performance?

- **Status:**
  - **Content under development**

PBSA Road Show

- **Provide in-depth/hands-on training:**
  - **Performance based service acquisition principles**
  - **Statutes, regulations, and policies that shape how we contract for services**
- **Status:**
  - **Conceptual phase**
